Technical Specifications Preparation

1. Wait at least 10 days before beginning maintenance on a freshly oiled or varnished wooden floor or surface.
2. Shake well before each use.
3. Add 5 ml of BLACK SOAP per liter of warm water and mix.
4. Use undiluted on stubborn stains.

Technical Specifications Application

1. Soak a cloth or mop into the solution, wring it out well, and clean the surface.
2. Allow the wood to dry without rinsing.

Tips

Black Soap is a potent degreaser suitable for all household surfaces. It's also excellent for laundry, effectively removing stains from clothing. Additionally, it helps protect your vegetable garden and plants against spiders and aphids. Moreover, it cleans and adds shine to your pets' fur.

WARNINGS

Keep out of reach of children.
